In your opinion what is the most suitable location within your road that a grit bin could be placed?

Sketch of the location
Please show on a sketch

Please consult with the Occupiers of the properties adjacent to your suggested location and ask for their agreement by signing below.

**Please return to : East Dunbartonshire Council
Roads Network, Broomhill Industrial Estate, Kilsyth Road, Kirkintilloch, G66 1TF**

"I hereby agree that a grit bin is required at _____ and have no objection to having it placed as shown on the sketch above."

Occupiers Consent		
Signature	Print Name	Address

It should be noted that, after a grit bin has been approved and placed on site, it will not be taken in after the end of the winter.

Grit Bin Application Criteria

Any requests for additional grit bins should meet the following criteria:

- a) The proposed location will be on a public road or footpath.
- b) Any location which has a steep gradient or topographical feature which merits consideration. Typically gradients greater than 1:17.
- c) The proposed location must service and be of benefit to several properties (applications will not normally be considered where only an individual property is being serviced)
- d) The proposed location must be accessible for cleaning and filling the grit bin.
- e) Siting of a grit bin must be agreed by at least 6 residents. This must include those residents directly affected i.e. access or frontage of the new bin location.
- f) There is no alternative provision of a grit bin within 300m of the requested location.
- g) Requested location does not form part of a primary gritting route.

East Dunbartonshire Council reserves the right to remove a grit bin at any time for whatever reason. The Council will maintain the grit bins, i.e. refill, clean the bins of refuse and repair or replace damaged bins as resources permit.

Grit bins will remain in position all year, only in exceptional cases where it is established that they are being subjected to vandalism would consideration be given to removing them, out with the winter period.

In addition to the grit bins which are strategically placed throughout East Dunbartonshire, members of the public may also uplift small quantities of grit (up to 50kg) free of charge from Broomhill Depot, Broomhill Industrial Estate, Kilsyth Road, Kirkintilloch, G66 1TF. The public will be responsible for supplying a suitable container. Local businesses will not be permitted to uplift grit from these locations.
