Draft Local Transport Strategy

The Council has been working to produce a new Local Transport Strategy for the area, which will set out the Council's transport strategy, Transport Planning Objectives and a series of actions and interventions to enhance transport and travel across East Dunbartonshire.

The Draft Local Transport Strategy 2020-2025 was considered by the Council's Place, Neighbourhood and Corporate Assets Committee on 29 August 2019 and was approved for publication and consultation.

A period of consultation has been organised from 17 September to 12 November 2019, with a series of drop-in sessions being held.

The Council want to hear your final comments to help the Council in producing a final strategy for publication and implementation.

You can access the draft strategy, background report and corresponding Environmental Report - and fill out an online survey - by visiting the webpage from 17 September onwards - www.eastdunbarton.gov.uk/draft-local-transport-strategy

Copies of the strategy and paper response forms will also be available at community hubs and libraries.

Five drop-in sessions will be held across the authority area:

Where?	When?
Bishopbriggs War Memorial Hall	Thursday 3 October - 3pm-6.45pm
Kilmardinny House, Bearsden	Wednesday 9 October - 3pm-7pm
Glazert Country House Hotel, Lennoxtown	Tuesday 22 October - 3pm-7pm
Fraser Centre, Milngavie	Thursday 24 October - 3pm-7pm
Kirkintilloch Leisure Centre	Wednesday 30 October - 3pm-7pm

For further information, please visit the webpage - www.eastdunbarton.gov.uk/draft-local-transport-strategy

You can also e-mail development.plan@eastdunbarton.gov.uk or call the Land Planning Policy Team on 0300 1234510

Specific comments on the Environmental Report should be submitted by e-mailing sustainability@eastdunbarton.gov.uk

Local Development Plan 2

The Council is continuing to work on producing a Main Issues Report for East Dunbartonshire following Early Engagement earlier in the year. More information will be provided in a future newsletter.

More information on the above work can be found at:
