

EAST DUNBARTONSHIRE ASD STRATEGY CONSULTATION

The purpose of this consultation is to:

- **Review the EDC 10 year autism strategy – which commenced in 2014**
- **Advise on the progress with regard to delivery of the Local Autism Strategy 19 objectives;**
- **Discuss the proposed areas of development, in particular the two main focus areas for the next year;**
- **Review the progress of the previous five years and to set the specific focus of the remaining five years of the strategy**
- **Take comments and suggestions from individuals and families affected by autism on anything omitted which they believe should be incorporated for the second half of the 10 year strategy**
- **Identify what issues individuals and families feel are most relevant/important**
