Declaration

I/We* submit a completion certificate in accordance with the details supplied above and with any necessary accompanying information.

[and where the certificate is submitted for work done under a building warrant]

This completion certificate is confirmation that the work was carried out and/or conversion* made in accordance with the building warrant.

This completion certificate also confirms that in the case of work for the construction of a building, the building as constructed complies with the building regulations; that in the case of the provision of services, fittings or equipment in or in connection with a building that the services, fittings or equipment provided comply with building regulations; and in the case of conversion of a building that the building as converted complies with building regulations.

[and when the provisions of building regulations apply]

I enclose a copy of the energy performance certificate(s) for the building(s).

[and where the certificate is submitted for work done in response to a notice where no warrant was required].

This completion certificate is confirmation that the work done in response to a continuing requirement enforcement notice/a building regulations compliance notice (where no warrant was required)/a defective building notice (where no warrant was required)/a dangerous building notice* has been completed in accordance with the requirements of the notice.

[and if there are any continuing requirements in the building warrant]

This completion certificate confirms acceptance of the continuing requirements as stated below, made under section 22 of the Act, imposed by the building warrant.

<i>Notes</i>	
1.	The name and address of the owner is required as the procedure regulations require the owner to be informed if a completion certificate is rejected.
2.	Where the address has been amended since the building warrant was granted, or where the submission covers only part of a building warrant (for example is for one house in a development of several dwellings that were subject to a single warrant) an address identifying the work covered by the submission must be supplied
3.	Where a certificate from an approved certifier of design includes details yet to be designed, the Notification of Finalisation of Details model form must be completed by the approved certifier and approved body and forwarded to the verifier.
4.	Any applicant aggrieved by the decision of a verifier to reject a completion certificate may, by summary application made within 21 days of the date of the decision, appeal to the sheriff. If a verifier has not determined this submission within 14 days from the date of receipt by the verifier of the certificate, the submission is deemed rejected and an appeal may be made to the sheriff in the same way and subject to the same timescale.

WARNING – This certificate does not permit the occupation or use of a building following construction or conversion. It is an offence to occupy or use such a building until a ‘notice of acceptance of a completion certificate’ is obtained except where this is done solely for the purposes of the construction or conversion of the building. Note that temporary permission may be obtainable from a verifier, and note that the restriction on occupation or use does not apply to alterations.

If any person submits a completion certificate containing a statement which that person knows to be false or misleading in a material particular or recklessly submits a completion certificate containing a statement which is false or misleading in a material particular the person is guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale.

<i>ANNEX 1</i>
<i>CERTIFICATES FROM APPROVED CERTIFIERS</i>
Please list reference numbers of any certificates from approved certifiers of construction which relate to this submission, and attach the original signed certificates to this completion certificate
Important Note. The certificates must be original documents, signed by certifiers fully approved to issue certificates for the matters certified on the date the certificate was signed.
