**CIVIC GOVERNMENT (SCOTLAND) ACT 1982, SECTION 89**

## **CERTIFICATE OF COMPLETION FOLLOWING ERECTION AND INSPECTION(S) OF A TEMPORARY RAISED STRUCTURE**

Client name and address	Contractor/erector name and address
Address of site	Description of Structure
Date of inspection(s)	Result of inspection
Name and qualification of person who made inspection	Name and address of Practice  Telephone number

I certify that the structure has been erected and completed in accordance with the consent to use a raised structure dated \_\_\_\_\_ and confirm the following-

1. Site conditions have been determined and the sole plates or spreaders etc. or otherwise beneath the structure assessed and can confirm that the design loadings can be adequately sustained and transmitted to the ground;
2. The structure has been checked after its erection has been completed and I have established/verified and can confirm that the raised structure conforms to the design, specified details and information for which consent was given, and that any limitations are not being exceeded (see qualification 1 of consent);
3. A self-check sign-off form has been signed and dated by the site supervisor/competent person on completion of the erection and inspection (see qualification 2 of consent).
